"Coach"

Too much can not be said of this genial mentor of football and basketball. For he truly is a coach of the highest caliber and San Jacinto is proud to have him in its folds. Although quiet, his bulldog tenacity and determination mark him as an asset to any school. Coach is a great favorite among the student body of San Jacinto.

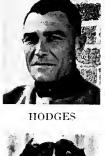

Here, too, is another man to whom San Jacinto is indebted for her success and prowess in football and track. For "Cap" not only knows his athletics but is gifted with the ability to teach his proteges, giving them the benefit of his years of experience. "Cap" first gains the confidence of his men and from then on it is easy to get them to get the best there is in them.

To this mite back we owe the fight and determination displayed by the Bruin Squad of 1929. It was Billy who inspired his team with his "never say die" spirit. When the gang was in a hole it was Billy to whom they all looked, likewise when they were winning, Bill could always be seen at the helm, helping to carry on. A scrapping leader.

Baldwin

THE SEASON

On the afternoon of September 27th a day that was best suited for swimming, the 1929 edition of the Golden Bears made its debut with a 20 to 0 win over Kirwin. There is little to say of the first half except to mention the numerous fumbles and penalties. But in the third quarter, that dark completed flash. Gastmyer, got going and from this point on, his flying heels played a steady tattoo in the Bruin march to victory.

The following week end saw another battle against a double foe, opponents and heat, but after the dust cleared, the Grizzlies had roundly out-fought and out-played the Bearkat Reserves from Huntsville, and had come home with a 13-0 win. Dutch McCammon, hard driving lightweight of the Bruins gave the scribes something to write about by his numerous and consistent long gains through the visitors line. It was a well earned and well deserved victory.

Playing before a small but enthusiastic crowd on October 11, the Bruins completely routed the Milby Buffs in a game that resembled a gala track meet instead of a district football game. All in all, there were eleven touchdowns secred against the Bisons. This score is the highest ever piled up in an inter-city game. The count was totaled to be 71 to 0 favoring the Bruins. Gastmyer led the spree with three markers, while Gunn, Cal-

kins, and McCammon counted a pair apiece and Boyles and Viebig scored one each.

On October 18, the Golden Bears repeated with a very welcome victory over the Irish from St. Thomas. For the first time during the current season the Bruins had their goal line crossed when Johnnie Young, Tom ace, broke loose. The deadly lateral pass that former Bear teams have used, was the most effective weapon in the 26 to 6 defeat that the boys handed the Toms. Curtis Gunn was "right" and turned in half the points himself and personally conducted the others with sparkling interference, sharing the honors with James Kelly, who played a whale of a game.

Playing an inspired brand of defensive football, the famed Port Arthur Yellow Jackets held the Bears at bay during the final three cantos of a hectic game to gain a 0 to 0 tie on Saturday October 26. This game was witnessed by 6000 rabid grid fans. Captain Billy Calkins, Elmer Galle, Johnnie McCamnon and Burt Coats played the outstanding games of their careers, while the whole gang scrapped like madmen.

Once more the Golden Bears amassed an enormous total to completely overwhelm the Orange Tigers. For the first time this year the Bruins knew how it felt to be on the short end of a score when a tiger end grabbed a pass and raced thirty yards

Mud plus Hecker spells defeat

Me Cammo

across the Bruin goal in the first five minutes of play. After this the Bears woke up and scored ten successive touchdowns accompanied by three extra points thus totaling a score of 63 to 7. This game featured the playing of Tracy Word, Coats and Fatjo.

The Golden Bears tasted the bitter dregs of defeat for the first time in the season of '29 in the game with Sam Houston November 9th. The score was 7-0 favoring the boys from uptown. The Bear gridsters fought desperately for three quarters in a driving rain but Hecker's long pass was too much for our boys. It was this long pass to McKnight that brought disaster to the championship aspirations of the Bears.

On November 16th, the Golden Bears took exactly three minutes too long to get down to steady football and in that brief space of time the Heights Bulldogs had pushed across a lone touchdown, but those six points were plenty to send the poor Bears crashing to defeat for the second straight time. After this it was a tight game between two evenly matched teams. It was big Richard Moers' day for he certainly turned in the best game of his illustrious career.

Again Rice field was the scene of friendly combat between Panther and Golden Bears, and this time our brown and gold was supremely triumphant.

It seemed as tho the San Jacs were playing Jack Frye, for this demon panther king was the whole show for the purple, but in Gastmyer, Calkins, Baldwin, Word and Hensch the Bruins have a quintet of players that thoroughly quelled the pride of North Side. Gastmyer checked in with two long scintillating runs for touchdowns, Baldwin blocked one of Frye's kicks to add two points while Tracy Word notched his name in San Jacinto's Hall of Fame by downing Frye for a 20 yard loss when a touchdown for the Panthers looked imminent. Calkins and Hensch turned in splendid games. Every brown and gold man seemed unstoppable that day. This 15 to 12 victory will always be a wonderful memory to the '29 Bear team.

On Turkey day at the home field of the green and white of Bryan High School, the Gold and Brown closed the '29 season in a blaze of glory by handing the Bronchos a dose of touchdown medicine administered personally by Dr. Wm. Calkins and assisting surgeons, to the tune of 25 to 0. The weather resembled a balmy August day rather than a cold crisp Thanksgiving, but despite the weather it was a real football game and one the Bears deserved to win. The honors of the day should go to the ever fleet Gastmyer, also the speedy Gunn and Van Viebig, one of the surest ends in the entire district beside being the state championship javelin tosser. True, the gang got off to a

late start but when the wheels did start clicking you could easily see how a synchronized football machine moves when "right," for they literally tore the Bryan team to bits and stomped the pieces. In fact, in the final quarter with but nine minutes to go the gang counted three touchdowns. A pep special of some 300 cohorts accompanied the team on their invasion and the fans that followed the Bruins were treated to two real games, for not only did they see the high school game there but also witnessed the annual Thanksgiving game between A & M and Texas University.

As a post season treat Houston fans got to see what a team the Honston High schools can put out when they use concentrated material. The All-Stars combined all the speed, deception and versatility that could be desired of any team. With Jack Frye and Fred Heeker playing behind a mammoth line that featured McKnight of Central and George Newman of San Jacinto, the result was inevitable. On this team were a great many of the current Bear team. Kelley, Calkins, Galle, Rodgers, Newman, Hensch, Gunn and Moers. The Englewood team from Chicago was a classy aggregation but when they tangled with this pack of dynamite they tackled a juggernaut.

Thus ended the seasonal reign of King Football—and began the sway of King Basketball—who holds forth in the wintry months.

Captain Benny Gastmyer

Benny Gastmyer, undoubtly the best high school athlete in Houston and one of the best in the state, has led the Golden Bears through the season of 1930 with a fighting, never-say-die determination that characterizes his play on the football field, hasketball court and the track. Benny is a scrappy leader that can get from his men the best that they can give. Benny has another year with San Jacinto and we wish him all of the luck and success in the world.

Squad of 1930

SEASON

Employing a slow break for the basket that brought havoc to the airtight Sam Houston defense, the 1930 edition of Golden Bear basketeers opened the season January 11th, by defeating the Tigers 24-17 in our new gym. Captain Benny Gastmyer clearly showed the spectators that he was one of the outstanding guards in the district while Lee Tynes displayed his knack for scoring, copping high point honors with eleven counters. The guarding was close and several performers were forced out of action via the foul route.

The Golden Bears came through January 14th to down the determined Milby Buffaloes 22 to 8 in a slow, unexciting game. Probably it was the impregnable defense that the Bruins displayed that kept the Bisons down to only two field goals during the entire contest, these being long shots from midfloor. Elton Moerer, blond forward and letterman, hit his stride against the Buffs to chalk up six markers and gain a tie with Lee Tynes for high scoring honors.

Playing against odds but displaying a determined fight that could not be denied, the Golden Bears came through January 21st with flying colors to take the Heights Bulldogs in camp to the tune of 17-13. Too much praise can not be given the fighting five that represented the Brown and Gold in this fray. It would be unfair to name an outstanding star in this game for each player, working as a unit, fought as they had never fought before and thus tasted the fruits of victory. Harry and Ben Journeay, Paul Williams, Lee Tynes and Captain Benny Gastmyer were the five

GASTMYER

WILLIAMS

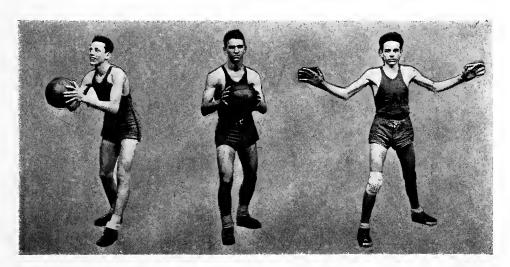

EATON

whose names should go down in the San Jacinto Hall of Fame for the splendid performance that they turned in.

With Harry Journeay, scrappy Bruin forward sinking a perfect crip shot in the last thirty seconds of the closest game seen on local courts this year, the Golden Bears turned what seemed certain defeat into victory to gain a decision over the Jeff Davis Panthers 17 to 16. This game gave the Bruins a string of fourteen consecutive victories against local high schools in the past three years. Again the fighting five led by Benny Gastmyer, though slightly augmented for a quarter by Howard Thompson, were the ones that gave their all to give San Jacinto another win.

Again, the Golden Bears, predicted on the short end of a top heavy score, showed up the predictors to wallop the downtown boys from Sam Houston to the tune of 28-18, January 31st on the Y. M. C. A. court. The crowd, one of the largest to attend this season, was noisy and colorful. The Bruins swept the Tigers off the floor the first five minutes, and at the end of the first quarter had piled up the overwhelming score of 15 to 2. Their defense was air tight and Central had little chance to show what stuff they possessed.

Completely routing the Milhy Buffaloes, the Golden Bears displayed unusual form to win a 34 to 9 victory, February 7th. The Bruins held the Buffs to a scant

H. JOURNEAY

MOERER

B. JOURNEAY

pair of field goals and piled up an enormous score. Lee Tynes and Harry Journeay were the big guns in the Bruins assault on the herd of Bisons.

Upsetting a perfect string of 17 consecutive victories, the John Reagan Bulldogs took advantage of a break and eked out an 18 to 12 win over the Golden Bears before a capacity crowd in the Reagan Gym. The score does not indicate the hard fought game that was played but by taking a glance at the quarters one will easily change their mind. The teams were deadlocked for three quarters with a 2-2 deadlock at the end of the first period. a 6-6 tie at half time and a 10 to 10 deadlock at the completion of the third period. Such a game is often read about but seldom seen on a Houston court. Tynes. Williams and Gastmyer were the big guns for the Bruins.

Completing the 1930 basketball season in a blaze of glory the San Jacinto Golden Bears literally swept the Jeff Davis Panthers off their feet Tuesday February 18th on our home court. Due to the fact that the Golden Bears are in a tie for the championship with Reagan a playoff game was held February 20th. The Panthers were unable to cope with the classy display of basketball displayed by the Bears in this tilt. The guarding was close and numerous fouls were called on both teams. Coach Hodges placed on the floor a different team from the one that performed against the Panthers in their preceding game although the personnel was the same. Again Lee Tynes and Gastmyer were the highlights of the contest.

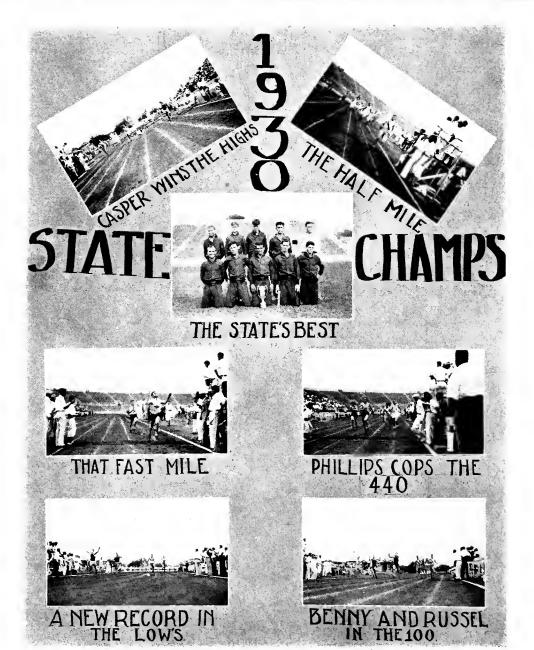

メオスススススズズズズズズズズズズ

Two of the most evenly matched teams in the state fought it out on even terms for three quarters before Reagan was able to score the six points that meant victory for the pack of Bulldogs, hut this small margin wrecked the Bruins' championship aspirations and disqualified them for further competition this year. It is said of these two teams that they displayed the greatest game of defense ever to be seen in the state. At the end of the half the score was deadlocked at a 0 to 0 tie with neither team getting the chance at more than five shots at the basket and these coming from mid-floor, where on the City Autitorium court it is well night impossible to sink a shot of this kind. Late in the last canto the Bulldogs broke through and sunk two fast crip shots and a pair of foul donations, and from this point on it was the same old story of impregnable defense. The game was witnessed by the largest crowd ever to attend a high school contest of this kind and these people certainly were not disappointed, for they saw two well drilled teams fight it out on practically even terms for the entire route. Again Benny Gastmyer displayed the vim, vigor and vitality that it takes to make a star, for Benny certainly did shine as did Paul Williams and the rest of the fighting five.

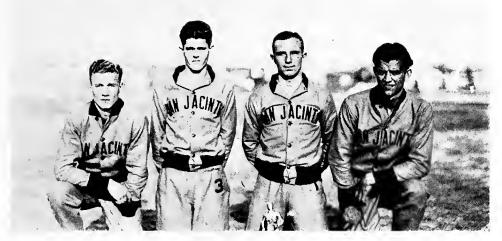

Chances for the Golden Bears next season are unusually good, for the astute Hodges will have all his lettermen back with the exception of Williams and Moerer, both clever forwards, but with the oncoming recruits and the fact that the bunch will have had a full seasons play together should speak well for the Bruin team. The San Jacs should rate preseason favorites in 30-31.

Holders of National Record in 440 Relay

TRACK

The 1930 track combination that carried the Brown and Gold of San Jacinto combat, under the able coaching of Alton (Cap) Harding, got off to a flying start the latter part of March by taking the Goose Creek Ganders into camp.

GASTMYER

The following week Coach Harding took nine of his men up to cow town to compete in the track meet sponsored by the Ft. Worth Fat Stock Show. His men did not seem to be in the best of condition and Benny Gastmyer, fiery captain and dash man for the Bruins was the only one that was able to place. Benny tied for first in the century and won the 220 only to be disqualified for running out of his lane.

In the District Elimination meet the next

Captain Benny Gastmyer

For the second time in one year, Benny was chosen to lead a team for the Brown and Gold. And how he did lead them, from a mediocre track team to State Champions. Benny ran both dashes in record time.

Coach Alton (Cap) Harding

In order to give credit where credit is due, we must say that never before in the annals of San Jacinto have we ever had a coach that was more popular and did more to bring additional glory to the school than "Cap" has done in his three years of service for us.

HARDING

week. San Jacinto qualified twelve men for the finals in the district meet. On April 5th, the squad journeyed to Beaumont to enter the Beaumont III Invitation meet. The thinly clads not only won the meet in fine fashion but the sprint relay team composed of McCammon, Parker, Gunn and Gastmyer broke the National Prep School record in this event in the amazing time of 44:1. Benny copped both dashes while Slim Young, Arnold Bryan, Norman Way and Edmundo Gonzales and Anthony Aucoin took first places in the mile, pole vault, half, discus and high jump respectively.

In the District meet San Jacinto not only qualified nine men to compete in the State meet in Austin but won the District championship for the fourth consecutive time.

The Rice Invitation was a gala event for the Golden Bears for they walked off with the meet in great style while the mile relay team composed of Way, Parker, Gunn and Gastmyer won for themselves a beautiful wrist watch apiece. Van Viebig, stellar javelin tosser for the Brown and Gold won his event handily as did Gastmyer. Benny was pushed, however, to run a 9:9 century in order to breast the tape ahead of the next man.

The following week the speed merchants traveled to College Station in order to win the A. & M. Invitation meet for the fourth time, which they did after overcoming some stiff opposition from Woodrow Wilson High of Dallas, who placed second. Young, Gastmyer and Vicbig copped firsts while Gonzales won a second

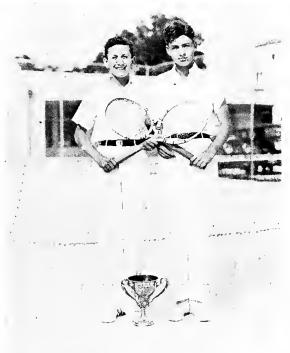

and Aucoin went into a tie with Hitt of Davis for first in the high jump. The mile relay team was forced to the limit to cop a first.

The last big meet of the year was held in Austin on May 3rd in the form of the twentieth annual University Interscholastic League Meet to determine who the logical team should be to hold the title of State Champions. San Jacinto trounced San Angelo, their rivals of the past year. The fifteen big points that the Bears garnered were seconds in both dashes, first in the javelin, third in the polevault, and third in the mile relay. All in all it was a great day for San Jacinto and Houston and one that Fans will not forget soon.

City meet brought on the annual duel between the other schools of the city and the Bruin school. The Bears, having reached their peak at the state meet, were in no frame of mind to exceed the limit. Shorthanded and a trifle stale, the gang was forced to accept a tie with a scrapping Reagan track squad.

TENNIS TEAM

The fast tennis duo composed of Otto Nachlas and Robert Allen displayed the speed and aggressiveness that won them the potential City Championship and carried them into the District playoff, where they lost after a heart breaking battle. However, in the singles, Otto was crowned District and Bi-District Champion only to journey to Austin for the State Classic and

Otto Nachlas

This speedy racqueteer that represented the Brown and Gold in City, District and State Tournaments is one of the classiest performers in this section of the state. He possesses a lightening serve and backhand that is bewildering.

ROBERT ALLEN

The sun tanned partner of Otto also possesses the skill and ability that makes him a valuable man in the role of doubles. He is a net man of rare skill and also bandles himself in great style on the court.

tin High champion.

Both of these lads

lose out to The Aus-

are leaving us at the end of this semester via the graduation route and will make some college a mighty fine combination.

San Jacinto has been gifted through the past years with lots of court talent and next year the tennis team will have a fine reputation to uphold.

OTTO NACHLAS

ROBERT ALLEN

Baseball Squad of 1930

Again the San Jacinto Golden Bears reigned as Champions, not only of the city. district and bi-district but also the Regional this time in the form of the fastest high school baseball nine in this section of the state.

Under the able tutclage of Coaches Gates and Alsup and Captain Van Viebig, a practically green squad of ball players were rapidly whipped into shape.

Too much praise cannot be given this team composed of Manry, Jahnston, Galle, Anderson, Tynes, Reed, Melton, Viebig, Ankerman, Delanev, Roberts and Coats.

Very little opposition was found by this gang until the Bi-district game with Giddings, and when these two nines tied up it was a real battle to the finish. A spectacular climax, the ninth with two out, and Roberts screaming double that sent Reed romping home with the winning tally left a large crowd gasping.

The regional finals against Hull-Daisetta were the customary easy victory.

STATIC PRODUCERS

One necessary ingredient to a satisfying pie is spice. One very necessary ingredient to successful teams and school spirit is yell leaders.

During the past season San Jacinto has enjoyed an unparalleled string of gratifying victories, to which fact much honor must be heaped on willing material and able tutelage, but some should belong to others who cheered on whether victory was certain or defeat imminent.

Perhaps it is a forgotten fact that when the tide of victory is on your side, yells come easy, but with small hopes for success apparent, then may an unenthusiastic student body kill all the efforts of a capable cheer leader. It is significant that this years men always tried. Individually, they are; Gill, a two year man with experience and talent, a darn good chief; "Tack," impetuous, fiery, and with the necessary requirements of pep; Johnny, young, diligent, and eager to learn.

THE YEAR

It is evident from the records available that San Jacinto is a shining example of a school that is constantly advancing in all directions.

Of course, we realize (though our teachers won't believe it) that the studies are the thing to seek, but a little recreation that is found in playing and in rooting in a big contest is certainly no wrong doing.

This year has been particularly gratifying to the supporters of the old Brown and Gold and in all manners of athletic endeavor the name of San Jacinto has been one to conjure with. In most cases ceded the favorite, and many times in the position of challenger, the Bears have ever been in the thick of the battle from the drop of the handkerchief. The honors that they brought back from the fields of victory would do any ordinary school for two or three years but it was just a full seasons work for our cohorts.

Three things are prerequisite for winning teams. Good coaches, school support and good material, and the gang certainly was chock full of all of that.

Just a glance over the record for the past year; In the fall; Coaches Hodges and llarding had reporting, a fair line that had weight, fight, shiftiness, and experience but of the backfield that terrified the opposition of the previous season, only Calkins was back for service; With a new set of backs and the big line, San Jacinto piled up some of the highest scores ever made here, outplayed and outfought the co-state champion Yellow Jackets, whipped Jack Frye, and Jeff Davis, and lost only two games by one touchdown.

In Basketball, with two lettermen back from the state contenders of the previous season and rated the cellar position, the Bears whipped the entire city on the first go round, but lost to Reagan, who in turn was whipped by two points by Athens National champs, and the margin of defeat between the Hites and our gang was six measly points.

In Track, having lost Kroschel and Snyder, all around point makers, the thinly clads marched right on thru the list of meets, losing only one, the Stock show at Ft. Worth, where, with poor officiating, the Bruins had to accept defeat. The climax to the einder season was the winning of the state championship for Houston and San Jacinto for the first time in history.

In Baseball, sporting an unknown quality at the beginning of the season the gang began to set opponents down in fine style, walking off with the city, district. Bi-District and Regional and it is the humble opinion of this scribe that this bunch of fighters could whip anything in the state.

JUNIOR CLASS

Early in the spring of 1930 the Junior and Sophomore Classes met in the auditorium for the purpose of selecting class officers. This movement was in a beneficent accord with plans for a compact organization to take temporary charge of affairs next fall.

The nominations and elections bore out conclusively that the oncoming graduating classes are far from being asleep, for very definite and exact ideas were expressed by more talkative people in the assembly.

After a heated session of politics and voting the Junior Class elected two boys and two girls as officers as did the alert sophomore class. These selections met with approval on all sides and high hopes were expressed for concerted action as soon as the class of '30 and '31 come into their own.

At the top are the Junior Class officers composed of Burt McElroy, president: Alice Richter, vice-president: Anna Beth Donahue, secretary: and Burt Coats, treasurer.

In the lower panel are the officers of the Sophomore Class, namely, Ralph Fite, president: Edith Perkins, vice-president; Dorothy Hartsfield, secretary; and Ralph McNeir, treasurer.

Motto

Clean Speech, Clean Sports, Scholarship, and Clean Living.

GIRL SPORTS

In the following few pages you'll find snapshots of the activities of the female athletes at San Jacinto.

Public opinion fancies Miss America of today as a cigarette fiend whose main accomplishments are a giddy laugh, painted lips, the mania for a dance or show every day and night, a fast roadster and possibly stimulants to go around; but although the writer is no expert, a plain uninterested sceptic can see from some of these action shots that the "bear" stories are just that; fantastic.

Drill teams, ball teams—basket ball, volley ball, and baseball, track teams, swimming teams and what have you? All of these highly beneficial sports are played in big league fashion.

Besides these forms of exercise, there are interpretive dances, pyramid building, and Swedish wand drills, all of decided aid to stamina and a well rounded body.

The power behind the wheel of girl sports in this case consists of two young ladies who know the athletic course and how to make it interesting. In person, they are, Harriet Brush, and Charlotte Collins. The former will be remembered as coach of San Jacinto's champion swimming teams, while the latter, though a comparative newcomer to the Bear institution is well experienced in the work.

Both ladies receive the wholehearted support from their proteges that marks a successful instructor.

Anyone who has watched the seriousness with which the girls enter into the competitive games is authority for the statement that as long as the American girl strengthens her morals in school and church and her body in beneficent sport, she will continue as queen of the world, her rightful place.

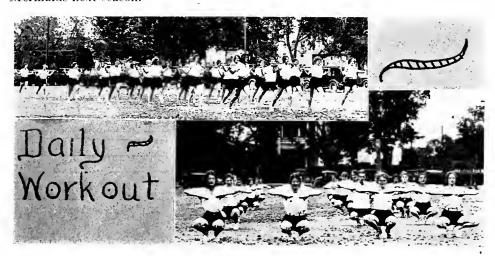

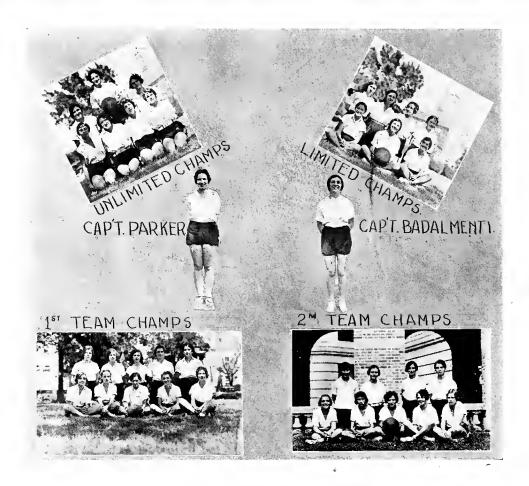

SPORTY SISTERS SNAPPED SHOWING STUFF

GIRLS' SWIMMING TEAM

For the first time in the history of San Jacinto, the crack Golden Bear swimming team, composed of girls under the able coaching of Miss Harriet Brush, knows how it feels to be beaten in the City Race. This year the mermaids were beaten out of the City Championship by John Reagan by the close margin of one single point. The team is captained by Amy Lon Oliver, crack A.A.U. champion. For the past four years, the charges of Miss Brush have brought home the bunting and all the cups in their meets and it was quite a blow to be beaten out by such a close margin, and the Golden Bears will have blood in their eyes when they tangle with the Reagan Mermaids next season.

GIRLS' BASKET BALL TEAMS

The 1930 Intramural Champions representing the cream of girl basketeers in San Jacinto have been crowned after a tightly contested tournament where the rivalry between the classes was eminent. Each team boasted their own pep squad and own yell leaders. In Miss Brush's Classes the Unlimited champions were led by Captain Badalmenti while her Limited champs were led into battle by Captain Parker.

In the gym classes conducted by Miss Elizabeth Collins, we find the sixth period unlimited girls reigning supreme among their class, this team is capably captained by Arylene Bachrach and the Unlimited honors go to the fast fourth period sextet.

These girls are to be given a big hand for they have gone through the grind of one of the fastest tournaments in the history of the school and have come out of the din of battle unscratched and their colors flying high.

SPANISH CLUB

El Circulo Espanol, one of San Jacinto's largest and most enthusiastic organizations, enjoyed a most successful years activity. In the fall elections Clarke Polk was made president and during his term of office the club adopted and ordered pins by which an active member was easily discerned. The cabinet as a whole enjoyed fine support from the student body. The time honored procedure of having programs presented in the native Spanish tongue on regular meetings days was successfully continued and many sparkling bits were presented in a delightful manner.

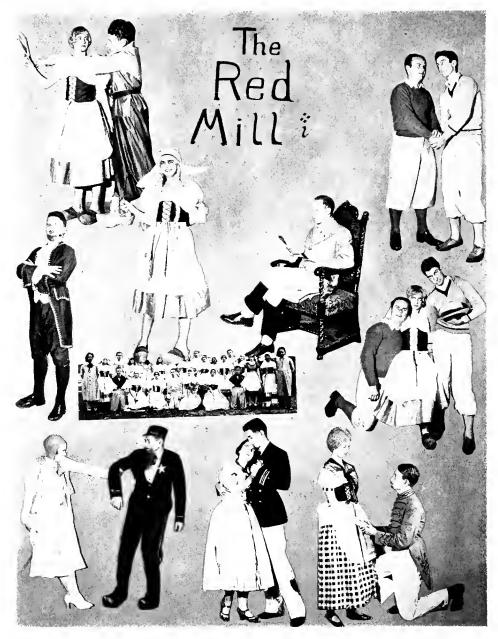

In the spring term, Edmundo Gonzales was elected to the presidency of the club and time bore out the fact that he was a popular executive. His earnestness and the speed with which he adapted himself to the rules of parliamentary law, showed him to be a wise choice as is the habit of Spanish club candidates.

The club is actively sponsored by the Spanish department and as this department

is the largest under the head of foreign languages it is easily seen that the club members have some ardent supporters among the faculty. El Circulo Espanol in its over two hundred members numbers a great many popular and influential students of the school and its active purpose is to make the Spanish language more popular by its daily use and adoption.

On April 4, the Carry On Club put on Victor Herbert's "Red Mill," under the capable direction of Mrs. Belle K. McGinnis. This club is fast becoming recognized as the most popular light opera company in the city. Each year big hits are put on by these students and ex-students. This year the show was given at the Scottish Bite Cathedral and a good crowd was in attendance. This Company has its own orehestra and accompanist and some of the linest adolescent voices anywhere.

DRAMATIC CLUB

Year after year the casts coached and directed by Mrs. Minnie Mitchell add fame \cdot to San Jacinto's Dramatic laurels and this year was no exception.

Producing the time honored "Valiant" this cast of well trained thespians scored signal triumphs in repeated performances. At the top is a picture of some of the principal characters while below is a group of the class from which the players are selected.

CABINET

The Boys Booster Club, recognized as San Jacinto's largest and most enthusiastic boys club, enjoyed a very successful season in 1929-30, and concluded another year of real service to the school.

Activities for this year were, the Vodvil, which proved so popular that two complete new shows were given; and the annual bay trip which was enjoyed to the fullest extent at the Y. Home, "Casa Del Mar" early in the summer months.

Chief Boosters for the two terms of office were Curtis Gunn, football star, dash man deluxe and Senior class president; while for the summer term the chief was Tracy Word, writer, speaker, actor, footballer, editor and what have you?

Critics agree that the year was outstanding for attendance to meetings and spirit shown by members.

The club is ably sponsored by Mrs. Belle K. McGinnis, and it would be difficult indeed to find a more interesting, diligent, or more successful sponsor than she is.

EL OROSO

Perennially late in starting the working of new and trifle over eager staff, the El Oroso of 1930 finally, due most probably to the persistency of both Gill and Neville, got its feet set in the paths of rectitude with ultimate result that it is now yours to dismember and rend asunder in your most convincing manner.

At this time due credit is gratefully given to those deserving of public mention. Beside the two trojans already mentioned, there were many who gave unlimited time and effort that the year of '30 might be suitably annaled in San Jacinto's history. To those efficient machines known as printers, engravers, and photographers the editors heartfelt thanks are given, for no green journalist ever had more willing and helpful cooperation than was given by the professional staffs of The Rein Company. The Parke Engraving Company, and Roulande Studios. The association with these firms has resulted in many lasting friendships with the personnel of the respective organizations.

Distinct orders for certain requirements for this book were clearly defined and to the best of our respective abilities the staff has endeavored to give to you a book that is pictorial, humorous, personal, artistic and enjoyable. Yours is the book and the verdict. Kismet—The Editor.

SOPHOMORE BOOSTER CLUB

In cooperation with the senior girls, the sophomore misses form a strong and active body whose influence is widely felt throughout the student body.

During the seasons work these younger sisters of the Girls senior club are learning the duties of officers and beginning to take responsibility under the teachings of Miss Genevieve, beloved dean of San Jacinto. The knowledge they obtain in their soph. days no doubt plays a large part in the fine results they obtain in their junior and senior terms.

GIRLS BOOSTER—SPRING CABINET

THE CAMPUS CUB

The Campus Cub. official publication of San Jacinto High School is a bi-monthly newspaper devoted to the interests of the students and faculty of the school, published and managed entirely by the journalism classes, of which Mr. Fred R. Birney is the head.

In the fall when work was beginning, Mr. Birney chose two editors; Hallie Beth Talley as managing editor and Ruth Shirley as editor-in-chief. Then when the spring term began Hallie Beth was made editor-in-chief and Ruth became assistant editor along with Miriam Knodel. With Helen Hingle as news editor, these four girls worked out the editing of the Cub. In other departments, Alyda Harris and Marshall Shively worked on the advertising end: Melvin Sues and Peggy King, the subscriptions while Willard Harlow and Ed. Levy worked on the distribution part. The Campus Cub boasted of such splendid sports editors as Gill DeWitt and Charles Holzinger, with the able assistance of George Lochridge, and Julian Hurwitz.

Students from the two journalism classes formed the personnel which wrote the news articles, features and did the other splendid work under the various heads. Special mention is made of Anthony Aucoin. Bentor Powell, Duncan Neblett,

Betsy Huxel, Neville Allison. Ruth Normand, Marianne Swan, Gerald Gordon, John Tackaberry, Elanor Busbey, Cornelia Briggs. Jane Everts. Betty Brown, Dale Cooper. Fanney Rubenstein, Flora Bess Maxwell, Edith Saxenmyer, Ed Pulaski. Charles Shearn and Milton Cohn because of the excellent work they did and the whole hearted interest they took in promoting the success of the Campus Cub.

MR. FRED R. BIRNEY

JOURNALISM

Since San Jacinto first began to produce the Campus Cub, in 1926 under Reginald Tucker, the real wheels in the project have been the students of the Journalism classes.

Every year some new course is offered in the way of vocation and this interesting field of endeavor has a popular following.

There is an advanced class, that takes most responsibility for the publishing of the Campus Cub, and the more elementary group which does the more tedious task of copy reading, subscriptions and general dirty work in preparation for being department heads in the following year.

The journalists shown in the pictures all had a major part in the successful year enjoyed by the most active school paper in the city.

THE ARMY

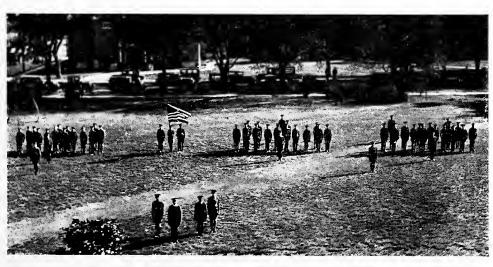

Two years ago, an auspicious start was made to have a cadet corps at San Jacinto. From that start has resulted three companies of well trained fellows, in Company A, Company B, and the Band.

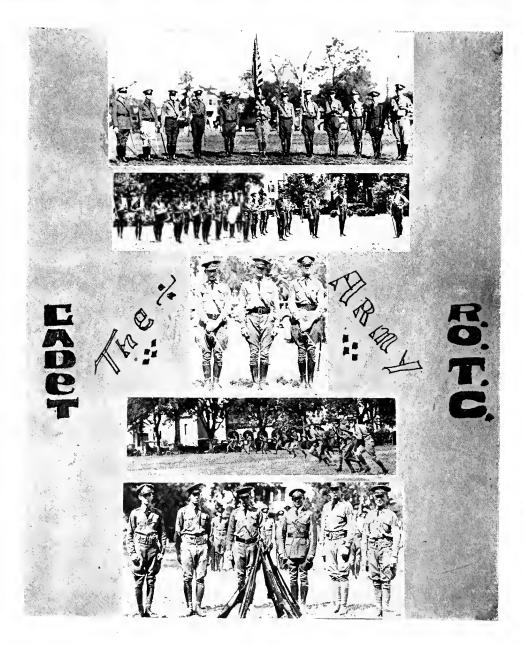

Alton Harding, genial coach, is the Commandant of the corps; Charles

Some of the activities that the Cadets take part in are: the Battalion Reviews, Drill Competition, Government Inspection, and Hikes. This year for the first time, there was a rifle match, and in customary veteran style. San Jacinto took the honors. The drill competitions brought victory to the Sam Houston Corps but the San Jacinto Band was adjudged the best company in the city.

DEDICATION

This Volume is suspectedly dedicated to Omy What Funn, who graduated from Noah, (Ark), in the customary fashion, and who was made to spend 9 months in a razorback hog pen for his remark that "Teachers are big hunks of meat; they're a bunch of hams always beefin'."

Peace to the bones of Omy What Funn, A 30-30 bullet got him on the run.

FEETURE
By United Stress Support
EDITOR SLAYS IMBECILE:
IS RELEASED:

Leaving six good men and true unconvinced, the following late wire flash is reported true:

Unknown: "You the Humor editor? I've got some real news for you."

Ye ed: "Yes?"

U.: "Sure, you see, Bill had a board bill and a bill board, the board bill bored Bill, so he sold his bill board to pay his board bill. Having done this the board bill no longer bored Bill, so we suggest you Board Bill with a board from his bill board and throw Bill's bill board over

C L A W

Vol. 4 ounces

hoard and Bill (Assassination scene continues off stage.)

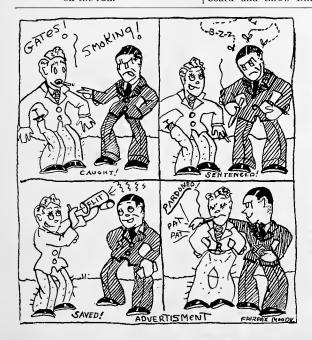

The jury was out $3\frac{1}{4}$ seconds and brought in the verdict of justifiable murder, and awarded a suitable prize of 5 mills for the quick and positive extermination of such a pest as a new Humor contributor.

The Trial was conducted in the greatest secrecy so nothing about the case of Bill and his Board bill and his bill board will ever reach print.

> Whether 4kast Whether it rains or Whether it snows We will have weather, Whether or no.

Today fair with clouds heavily laden with rain pushed onward by the tornado winds which are hovering in the path of the expected sand storm. Winds on the Texas coast undoubtedly will be there in the next few days. All roads are impassable, with fair to good going. Sighing off to your great relief.
